Built originally as a Civilian Conservation Corps Camp, Green Ridge Youth Center has had a variety of uses in its 90-year history. Currently, Green Ridge is a treatment center for males age 13-18. The facility offers three types of programming including drug treatment using the Seven Challenges program: (1) a 90-day Wilderness-based program for youth in their first commitment that provides time to assess current life situations and gives youth basic skills for successful social adjustment; (2) a 6-9 month Intensive Outpatient Program to help youth needing intensive drug treatment; and, (3) two 6-9 month groups for youth needing intensive behavior and social modification. On June 26, 2013, the Maryland State Department of Education assumed responsibility for educational programming and began providing academic and vocational services. Previously, DJS provided the educational program. The school offers a 12-month schedule including six hours of daily instruction five days a week in English, mathematics, science, social studies, health and life skills, and individualized programs to prepare students for the GED exam. Green Ridge also implements CHALLENGE, a behavioral management program that establishes structure for an environment of respect and fairness conducive to treatment and rehabilitation.
